

## National Black Gay Men's Advocacy Coalition

Black Gay Men's Road Map to the  
2011 National HIV Prevention Conference  
August 14 – 17, 2011 – Atlanta, Georgia

	A	B	C	D	E	F	G	H
1	Date	Time	Session	Type	Track	Location	Description	Presenter
2	Monday, August 15	7:30AM - 8:15AM	Session ARO1 - The Role of the Black Family in the Profession of HIV in the AAMSM Community	Roundtable	A	Baker (Hyatt Regency Atlanta)	This roundtable will discuss the black family and its role as it relates to the transmission of HIV among AAMSM, human sexuality, religion and homophobia.	<b>Christopher Roby</b>
3	Monday, August 15	7:30AM - 8:15AM	Session LBR01 - The Changing Roles of CBOs: Addressing the Need for Holistic Approach Towards Total Wellness	Roundtable	D	A703 (Atlanta Marriott Marquis)	Presentation 4 - Neighborhood Characteristics and Individual Level Factors Associated with HIV-related Stigma among African American MSM	Manh Nguyen; <b>Charles Martin</b>
4	Monday, August 15	10:30AM - 12:00PM	Session A03 - Exploring the Underlying Psychological Factors Contributing to HIV Risk for MSM	Concurrent Session	A	Courtland (Hyatt Regency Atlanta)	The session examines structural drivers of high risk sexual behaviors among MSM. These include depression, psychological, distress, loneliness, stigma, intimate partner violence and minority stress.	Laura Hester
5	Monday, August 15	10:30AM - 12:00PM	Session D01 - Recent Experiences in HIV Risk Reduction with African American MSM	Concurrent Session	D	Hanover C (Hyatt Regency Atlanta)	The most recent epidemiology of HIV in the United States indicates that African American MSM are highly affected by HIV. This session will present findings from recent HIV prevention interventions developed to reach African American MSM.	<b>Christopher Roby;</b> Austin Anderson; Constance Jones; Sheldon Fields
6	Monday, August 15	10:30AM - 12:00PM	Session LB4 - Approaches to Understanding the Epidemic Among African American Populations	Concurrent Session	B	A703 (Atlanta Marriott Marquis)	In this late-breaker, various approaches are described to better understand risk factors for African American populations in Atlanta, Washington, DC, New York City, and Massachusetts.	Lindsay Donald; David Malebranche; Eileen Yancy; Leigh Willis
7	Monday, August 15	10:30AM - 12:00PM	Session D05 - A Look in the Mirror: Identifying and Overcoming Provider Barriers to the Delivery of Effective HIV Prevention and Care	Concurrent Session	D	Hanover D (Hyatt Regency Atlanta)	Presentation 3 - Changing Provider Attitudes to Improve Engagement of Black MSM in Prevention Programs	Tim Vincent
8	Monday, August 15	10:30AM - 12:00PM	Session LB1 - Determinants of Behavior	Concurrent Session	A	A705 (Atlanta Marriott Marquis)	Presentation 1 - Multilevel Factors Associated with Sexual Risk Behavior among Young Black MSM  Presentation 3- Variations in and Correlates of Discrimination among Racial Ethnic Minority MSM Living in Los Angeles  Presentation 4 - Social Context and Substance use among Ethnic Minority MSM at Risk for HIV: Prevention Implications	Susan Kegeles; Jay Paul
9	Monday, August 15	1:30PM - 3:00PM	Session A01 - Deconstructing Vulnerability: Exploring Sub-populations at Risk	Concurrent Session	A	Baker (Hyatt Regency Atlanta)	This session addresses psychological, social and environmental influences that are antecedents to HIV risk among high risk sub-populations, such as young minority MSM, injection drug users, male youth engaged in sex work, and transgendered persons.	Lisa Hightow-Weidman; Natalie Crawford; Mackey Friedman; Vel McKleroy

	A	B	C	D	E	F	G	H
10	Monday, August 15	1:30PM - 3:00PM	Session B02 - Monitoring the HIV Epidemic Among MSM	Concurrent Session	B	Piedmont (Hyatt Regency Atlanta)	<p>Presentation 1 - Challenging Life Situational Factors Associated with HIV Status among Young, High-Risk Gay and Bisexual Men</p> <p>Presentation 2 - Differences in High Prevalence of Sexual Concurrency and Concurrent UAI Among U.S. MSM</p> <p>Incidence Surveillance to Examine Racial/ethnic Disparities in HIV Testing among Young MSM</p>	Pilgrim Spikes; Eli Rosenberg; Trista Bingham
11	Monday, August 15	1:30PM - 3:00PM	Session C11 - Interventions & Clinical Trials: Enrollment, retention, and Inclusion Issues	Concurrent Session	C	Hong Kong (Hyatt Regency Atlanta)	<p>Presentation 3 - Development of a Black Caucus in a Community Level HIV Prevention Intervention for Black MSM</p>	Christopher Watson
12	Monday, August 15	1:30PM - 3:00PM	Session D07 - Bringing the Social Media Revolution to HIV Prevention	Concurrent Session	D	Hanover F/G (Hyatt Regency Atlanta)	<p>Presentation 2 - Using Social Network Methodology to Locate and Identify Undiagnosed HIV-positive MSM and Transgender Women</p> <p>Presentation 3 - Just Us? A Success Story of Engaging Young Adults Belonging to Communities of Color Online</p> <p>Presentation 4 - Get Live Stay Live - Promoting HIV Testing among Young MSM of Color Using Online Social Media</p>	Cathy Reback; Jenna Gaarde; Bhupendra Sheoran
13	Monday, August 15	1:30PM - 3:00PM	Session D15 - HIV Risk and Psychosexual Factors Among Young African American and Latino MSM Participants in Mpowerment	Concurrent Session	D	Dunwoody (Hyatt Regency Atlanta)	<p>This session will present interim results of an outcome monitoring study conducted by CDC of the Mpowerment intervention with Three CBOs targeting young African American and Latino MSM. This is the first CDC outcome monitoring study to use client administered, handheld computers to collect behavioral risk data from participants in an HIV prevention intervention.</p>	Holly Fisher
14	Monday, August 15	1:30PM - 3:00PM	Session D21 - Integrating the Social Networks Strategy Into An Existing CTR Program Targeting African American MSM	Concurrent Session	D	Hanover C (Hyatt Regency Atlanta)	<p>Recent demonstration projects supported by the CDC have shown that using a social network recruitment strategy for testing in non-clinical settings can enhance HIV case finding. This session will be a review of the most recent data on the social network strategies used to enhance HIV case-finding among MSM.</p>	Chanza Baytop; Melanie Thompson; Jonathan Ellen; Sandra Kupprat; Donna McCree; Greg Millett; Perry Halkitis
15	Monday, August 15	3:30PM - 5:00PM	Session A10 - MARI: Black and Hispanic HIV Prevention Researchers Working in Black and Hispanic Communities	Concurrent Session	A	Courtland (Hyatt Regency Atlanta)	<p>This session will describe the progress of MARI investigations and highlight lesson learned, especially where programmatic translation has been particularly successful.</p>	Patrick Wilson; Emma Brown; Silvia Amesty; Scyatta Wallace; Myriam Torres

	A	B	C	D	E	F	G	H
16	Monday, August 15	3:30PM - 5:00PM	Session C08 - Innovative Uses of Technology	Concurrent Session	C	Vancouver / Montreal (Hyatt Regency Atlanta)	<p>Presentation 1 - HealthMpowerment.org: Feasibility and Acceptability of an Internet Intervention for Young Black MSM</p> <p>Presentation 2 - Recruitment and Renention of Racial/Ethnic Minorities in an Online HIV Behavior Risk Study of MSM</p>	Lisa Hightow-Weidman; Christine Khosropour
17	Monday, August 15	3:30PM - 5:00PM	Session CCT2-2 Compounding Stigmas: Magnifying Vulnerability for MSMs	Concurrent Session	CCT2	Singapore / Manila (Hyatt Regency Atlanta)	<p>Presentation 1 - The Impact of HIV-Stigma within Gay Communities on Disclosure to Sexual Partners for Black MSM</p> <p>Presentation 4 - How Do Young HIV+ Black MSM Negotiate Expressions of Same -Sex Attraction in the South?</p>	Jason Bird; Erik Valera
18	Monday, August 15	5:15PM - 6:00PM	Session CR05 - From Where I Stand: A HIV Prevention Social Marketing Campaign for Black Gay Men	Roundtable	C	Cairo (Hyatt Regency Atlanta)	This session will discuss the development process for the "From Where I Stand" campaign including concept formation, branding, creating culturally appropriate messaging, message testing, scriptwriting, storyboarding, and conducting photo and film shoots. Facilitators will discuss the campaign products and other campaign related paraphernalia as well as the iterative approach to release campaign products.	Charles Stephen
19	Monday, August 15	5:15PM - 6:00PM	Session DR06 - From Uncertain Beginnings to a Renewed Beginning: Supporting the Development of Prevention capacity for CBOs	Roundtable	D	Hanover D (Hyatt Regency Atlanta)	This roundtable will provide an opportunity for CBOs implementing EBIs to share the success and challenges they have experienced planning, implementing, adapting, and evaluating their interventions. The recent work with nine CBOs implementing EBIs targeted to African American and Latino men who have sex with men (MSM) will be shared.	Daniel Casillas
20	Monday, August 15	5:15PM - 6:00PM	Session FR04 - Mobilizing Black Gay Leadership in Response to the HIV Epidemic	Roundtable	F	Dunwoody (Hyatt Regency Atlanta)	This roundtable reviews Black Gay Advocacy efforts and discuss strategies for increasing the engagement of Black Leaders in HIV Prevention	<b>Cornelius Baker; Leo Rennie;</b> Russell Brewer; <b>Venton Jones; Ernest Hopkins</b>
21	Monday, August 15	5:15PM - 6:00PM	Session FR02 - Expanding HIV Testing and Health Reform	Roundtable	F	Baker (Hyatt Regency Atlanta)	This roundtable examines how Health Reform can enhance opportunities for HIV Testing.	Carl Schmid; <b>Kali Lindsey</b>

	A	B	C	D	E	F	G	H
22	Tuesday, August 16	7:30AM - 8:15AM	Session DR20 - Positive and Proactive: Implementing Empowerment Based Programming in HIV Primary Care Settings	Roundtable	D	A705 (Atlanta Marriott Marquis)	Although interventions have been developed that effectively address risky sexual behavior among this population, Urban Young Men who have Sex with Men of Color remain disengaged in medical care and represent a significant portion of people living with HIV and AIDS. Lack of long-term programming in HIV care practices result in HIV/AIDS medical practices being unsure of how to retain and engage this hard to reach population in medical care. The Facilitator of this roundtable will present and discuss with the group a pilot program, SWEAT (Sexuality With Education And Truth) conducted in a Pediatric HIV/AIDS practice in Philadelphia. The SWEAT program includes in Philadelphia. The SWEAT program includes continuous long-term programming: a group level intervention, street team leadership development program and a men's health seminar series.	Noel Ramirez
23	Tuesday, August 16	7:30AM - 8:15AM	Session DR28 - Using Social Networking Strategies in the House and Ball Scene to Provide HIV Prevention Services	Roundtable	D	Cairo (Hyatt Regency Atlanta)	As Black MSM and YMSM continue to drive the rates of new infections in urban areas throughout the country, it is imperative that service providers are culturally sensitive to the needs of this population. This includes understanding the role that the House and Ball community plays in influencing many young MSM. By formally recruiting "House parent(s)" to become involved in the messaging and testing efforts, agencies can improve their reach and credibility within this high risk population. Facilitators in this roundtable will engage attendees by discussing several strategies of how to reach and retain young MSM by forming working relationships with the House and Ball Community.	Michael Serrano
24	Tuesday, August 16	7:30AM - 8:15AM	Session FR08 - Progress in Preventing HIV Among Gay Men Through the National HIV/AIDS Strategy	Roundtable	F	Dunwoody (Hyatt Regency Atlanta)	This roundtable highlights the goals of the National HIV/AIDS Strategy that impact gay men and discusses how implementation is proceeding.	Carl Schmid; <b>Ernest Hopkins</b>
25	Tuesday, August 16	7:30AM - 8:15AM	Session GR04 - Breaking Down the Barriers: Recruitment, Testing and Linkage to Care for YMSM in Los Angeles	Roundtable	G	Spring (Hyatt Regency Atlanta)	Young MSM living with HIV infection often have many complex health and social service needs. This roundtable will discuss innovative methods to meet social, medical, and mental health services specific to young MSM of color living with HIV.	Greg Wilson

	A	B	C	D	E	F	G	H
26	Tuesday, August 16	10:30AM - 12:00PM	Session of Special Interest - Act Against AIDS Leadership Initiative (AAALI): Harnessing the Strength of National Organizations to Reach Communities Hardest Hit by HIV	Concurrent Session		Regency Ballroom VII	AAALI is a six-year partnership between CDC and some of the country's leading national organizations representing the populations hardest hit by HIV. Participants will learn about the strategies and activities AAALI organizations are using to address HIV among impacted communities, and what opportunities exist for partnering for joint mobilization efforts.	Robert Bailey II; Joynecia Clements-Powell
27	Tuesday, August 16	10:30AM - 12:00PM	Session B08 - Behavioral Surveillance in Special Settings	Concurrent Session	B	Spring (Hyatt Regency Atlanta)	Presentation 3 - Acute HIV Infection among Black Men Who Have Sex with Men Attending Sociocultural Events	Peter Thomas
28	Tuesday, August 16	10:30AM - 12:00PM	Session C03 - Developing an HIV Testing Campaign for Black MSM	Concurrent Session	C	Singapore / Manila (Hyatt Regency Atlanta)	A discussion of the steps involved in developing a campaign to encourage black MSM to seek testing.	J. Stryker; J. Rosenthal; D. Green; J. White; Jennie Johnson
29	Tuesday, August 16	10:30AM - 12:00PM	Session C10 - Developing or Adapting Interventions for MSM	Concurrent Session	C	Vancouver / Montreal (Hyatt Regency Atlanta)	Presentation 1 - Adapting Community PROMISE with Older MSM and Transgender Individuals of Color Presentation 3 - YMYV: An HIV Intervention for Young Men of Color Who Have Sex with Men Presentation 4 - Academic - Community Collaborative: Lessons from an Intervention for Behaviorally Bisexual Men	Hanna Tessema; Sheldon Fields; Hema Ramamurthi
30	Tuesday, August 16	10:30AM - 12:00PM	Session CCT1-1 - Social Determinants of HIV Risk Among Black Men	Concurrent Session	CCT1	Hanover C (Hyatt Regency Atlanta)	Presentation 2 - Utilizing Cultural Programming to Engage Young Black Sexual Minority Men Around Sexual Health Promotion Presentation 3 - Socioeconomic Status, Sexual Orientation, and Racism among Black MSMW: Associations with Mental Health and Self-Concept	Osamudiam Uzzi; Nina Harawa
31	Tuesday, August 16	1:30PM - 3:00PM	Session C04 - Community Mobilization Models for HIV Prevention for MSM of Color	Concurrent Session	C	Singapore / Manila (Hyatt Regency Atlanta)	Three approaches to community mobilization - Washington, DC, Atlanta, and San Diego	<b>Rodney McCoy;</b> Miguel Martinez; <b>Steve Bailous, Adolph St. Arromand</b>
32	Tuesday, August 16	1:30PM - 3:00PM	Session C16 - Reaching and Intervening with Various Populations	Concurrent Session	C	Hong Kong (Hyatt Regency Atlanta)	Presentation 2 - Feasibility of recruiting African American and Latino MSM for a Peer-Based HIV Intervention on Facebook	Sean Young
33	Tuesday, August 16	1:30PM - 3:00PM	Session CCT3-1 - Innovative Approaches and Diverse Perspectives in Community Mobilization	Concurrent Session	CCT3	Dunwoody (Hyatt Regency Atlanta)	Presentation 4 - Strengthening Community Advocacy in HIV Prevention Research: AVAC's PxROAR Program (Prevention Research, Outreach, Advocacy, Representation)	Deirdre Grant; <b>Matthew Rose;</b> Nichole Little; Hadiyah Charles; <b>Venton Jones;</b> Mudia Uzzi; Ebony Johnson' Lisa Diane White

	A	B	C	D	E	F	G	H
34	Tuesday, August 16	1:30PM - 3:00PM	Session CCT3-3 - The 12 Cities Initiative: What is the Role of Community	Concurrent Session	CCT3	Regency Ballroom VI (Hyatt Regency Atlanta)	Leading a more coordinated effort to accomplish National HIV/AIDS Strategy goals	A. Toni Young; Chris Collins; Anna Ford
35	Tuesday, August 16	1:30PM - 3:00PM	Session D13 - Outcomes and Lessons Learned: Six Studies Evaluating Behavioral Interventions for Latino and African American MSM	Concurrent Session	D	Hanover F/G (Hyatt Regency Atlanta)	This session will report on a CDC funded project conducted in six sites to determine the preliminary efficacy of unique interventions to reduce high-risk sexual behavior for MSM.	Jocelyn Patterson; Maria Fernandez; David Seal; Karin Tobin
36	Tuesday, August 16	1:30PM - 3:00PM	Session F03 - Community Mobilization Targeting African American and Latino Young Gay Men; Lessons Learned from San Diego	Concurrent Session	F	Courtland (Hyatt Regency Atlanta)	This session provides the perspectives of a CBA provider, Health Provider, and CBO on a San Diego initiative to address the HIV Prevention needs of African American and Latino YMSM.	Mia Humphreys; Lori Jones; Nicholas Lagunas; Antonio Munoz
37	Tuesday, August 16	1:30PM - 3:00PM	Session G07 - Technology as a Tool for Service Integration	Concurrent Session	G	Inman (Hyatt Regency Atlanta)	Presentation 1 - Social Network Testing Project (SNTP): An Effective Method to Diagnose HIV Infection among Young MSM	Min Kim
38	Tuesday, August 16	3:30PM - 5:00PM	Session C17 - Health Department and Practitioner Perspectives on HIV Prevention	Concurrent Session	C	Hong Kong (Hyatt Regency Atlanta)	Presentation 1 - Testing Practices and Perceptions of Black Frontline Healthcare Providers	Wilbert Jordan
39	Tuesday, August 16	3:30PM - 5:00PM	Session D22 - An MSM Intervention Update	Concurrent Session	D	Hanover F/G (Hyatt Regency Atlanta)	Presentation 4 - Examination of Communication about HIV Prevention withing Social Networks of African American MSM	Karin Tobin
40	Tuesday, August 16	3:30PM - 5:00PM	Session E06 - Community Engagement and Partnership to Support HIV Vaccine Research	Concurrent Session	E	Cairo (Hyatt Regency Atlanta)	Presentation 2 - Knowledge and Awareness of HIV Vaccine Research: Findings from Qualitative Research Presentation 3 - HIV Vaccine Research Education Initiative (NHVREI) Partnership Program: Partnership with Community for Broader Community	<b>Cornelius Baker;</b> Russell Brewer
41	Tuesday, August 16	3:30PM - 5:00PM	Session G08 - Synergistic Epidemics of STIs and HIV	Concurrent Session	G	Inman (Hyatt Regency Atlanta)	Presentation 2 - Urethral and Rectal Chlamydia and Gonorrhoeae Infection in Black and White MSM Presentation 4 - Epidemiology of Co-Infection with HIV and Syphilis in 34 States, United States, 2009	Shauni Williams; John Su
42	Tuesday, August 16	5:15PM - 6:00PM	Session AR03 - The Paradigm Shift: Embracing New Scientific Paradigms for Effective HIV Prevention Among Black MSM	Roundtable	A	A703 (Atlanta Marriott Marquis)	This roundtable's facilitators will summarize current research on disparities in HIV infection in Black MSM and recommendations for from the researchers and community members, and lead a discussion on new strategies and paradigms for effective HIV prevention among Black MSM, including community-level, biomedical, and structural interventions.	<b>Ron Simmons</b>
43	Tuesday, August 16	5:15PM - 6:00PM	Session DR22 - Successful Coalition Development Strategies to Increase HIV Testing in African American Community Guide Model	Roundtable	D	Hong Kong (Hyatt Regency Atlanta)	This roundtable will seek to address this issue by offering an eight-step guide to building coalitions using the Community Guide Model. This model seeks to assist an organization considering initiating and leading a coalition, or in strengthening an existing coalition.	Antwan Nicholson

	A	B	C	D	E	F	G	H
44	Tuesday, August 16	5:15PM - 6:00PM	Session DR23 - Coalition Development Strategies for African American MSM: Assessing a Structural Population-Based Capacity Building Assistance Course	Roundtable	D	Singapore / Manila (Hyatt Regency Atlanta)	This roundtable will offer an eight-step guide to building effective coalitions, and will be helpful to an organization considering initiating or leading a coalition focusing on African American MSM.	Joseph Lindsey
45	Tuesday, August 16	5:15PM - 6:00PM	Session DR24 - Effectiveness of POL and D-Up Interventions Among African American MSM in the Rural South on Community Norms	Roundtable	D	Vancouver / Montreal (Hyatt Regency Atlanta)	The Popular Opinion Leader (POL) and D-Up Interventions have proven to be effective in changing community norms around risky sexual behavior. Facilitators in this roundtable will discuss lessons learned and best practices experienced as a result of adapting POL and D-Up as effective interventions for African American (AA) MSM in the rural south. The session will also cover issues related to rural, social, and individual determinants of health; the effect of negative social and cultural factors on AAMSM sexual risk behavior, and ways to promote positive self-worth to change risky behavior.	G Gibson
46	Tuesday, August 16	5:15PM - 6:00PM	Session GR05 - Pathologies of Oppression: A Harm Reduction Leadership Development Model for YBMSM	Roundtable	G	Courtland (Hyatt Regency Atlanta)	This roundtable will describe the challenges associated with the launch of a capacity building program to meet the interrelated psychosocial and HIV prevention needs of young Black MSM.	Michael Everett
47	Wednesday, August 17	8:00AM - 9:15AM	Session C06 - PrEP & PEP for MSM	Concurrent Session	C	Singapore / Manila (Hyatt Regency Atlanta)	This session will focus on knowledge, attitudes, and access to PrEP and PEP among MSM	Gordon Mansergh; Jeb Jones; Patrick Sullivan
48	Wednesday, August 17	8:00AM - 9:15AM	Session D02 - Training the Trainers: An Update on Recent CDC and Local Health Department Capacity Building	Concurrent Session	D	Hanover C (Hyatt Regency Atlanta)	Presentation 1 - CBA for CBOs and Communities Serving African American and Latino Gay/Bisexual Men, and MSM	Maria E. Alvarez
49	Wednesday, August 17	8:00AM - 9:15AM	Session D24 - Bringing HIV Prevention to the Campus: Recent Interventions for and by College Students	Concurrent Session	D	Hanover D (Hyatt Regency Atlanta)	Presentation 4 - Exploring Sexual Identity Development of African American Male College Students at a HBCU	Schenita Randolph
50	Wednesday, August 17	8:00AM - 9:15AM	Session D29 - Using Data to Develop and Evaluate HIV Prevention Social Marketing Campaign: Lessons from the Field	Concurrent Session	D	Hanover E (Hyatt Regency Atlanta)	Presentation 1 - Meth Makes You Ugly: An HIV Prevention Campaign Developed by Young MSM for Young MSM  Presentation 3 - Increasing HIV Rapid Testing African American Younger MSM Using Localized Social Marketing	Danny Gladden; Gary Paul Wright
51	Monday, August 15	12:00PM - 1:30PM	Addressing the Needs of Gay/Bisexual Men in Middle Adulthood in Order to Prevent HIV Transmission	Poster	A	Grand Hall	004M	Greg Rebchook
52	Monday, August 15	12:00PM - 1:30PM	Exploring HIV Stigma and Discrimination in Black Men Who Have Sex With Men	Poster	A	Grand Hall	019M	Leo Wilton
53	Monday, August 15	12:00PM - 1:30PM	Health Care Utilization among Black Men in Georgia: Implications for the HIV Racial Disparity	Poster	A	Grand Hall	021M	Rupali Doshi
54	Monday, August 15	12:00PM - 1:30PM	Risk Behaviors Associated with Meeting Sex Partners Online in African American Adolescents	Poster	A	Grand Hall	025M	Laura Whiteley
55	Monday, August 15	12:00PM - 1:30PM	HIV Risk Among Young MSM: A Call to Revisit the Health Belief Model	Poster	A	Grand Hall	034M	Andrew Hickok

	A	B	C	D	E	F	G	H
56	Monday, August 15	12:00PM - 1:30PM	Differences in Perceived Homophobia, Racism, and Community Connectedness Between Black and White MSM	Poster	A	Grand Hall	037M	Laura Salazar
57	Monday, August 15	12:00PM - 1:30PM	Correlates of HIV Testing History among HIV Tested and Untested Black MSM	Poster	A	Grand Hall	046M	Thomas Washington
58	Monday, August 15	12:00PM - 1:30PM	Do Older Partnerships Mediate the Relationship Between Individual Factors and HIV Risk among Adolescent MSM?	Poster	A	Grand Hall	050M	Renata Sanders
59	Monday, August 15	12:00PM - 1:30PM	To What Extent is Serosorting Intentional among MSM in the United States?	Poster	A	Grand Hall	055M	Erin Kaufman
60	Monday, August 15	12:00PM - 1:30PM	When Knowledge Clashes with Judgment: Black Men's Subjective Assessments of HIV Risk in Male Partners	Poster	A	Grand Hall	058M	Lena Saleh
61	Monday, August 15	12:00PM - 1:30PM	Utilizing Community-based Structures for HIV Prevention in the House Ball Community	Poster	A	Grand Hall	059M	Emily Arnold
62	Monday, August 15	12:00PM - 1:30PM	Factors Associated with Condom Use among Young Black MSM attending a House Ball in Charlotte	Poster	B	Grand Hall	070M	Darrin Johnson, Jr.
63	Monday, August 15	12:00PM - 1:30PM	Comparison of Factors of Syphilis in MSM African American/Hispanics of Houston, TX	Poster	B	Grand Hall	077M	Benito Castro
64	Tuesday, August 16	12:00PM - 1:30PM	Breaking Down Barriers: NMA Physicians Discuss Routinizing a Sexual History Tool with Black Male Patients	Poster	C	Grand Hall	127T	Yzette Lanier
65	Tuesday, August 16	12:00PM - 1:30PM	HIV Testing at SIZZLE Miami: Intensive Outreach to a Specialized Population at a Unique Event	Poster	C	Grand Hall	131T	Vanessa Mills
66	Tuesday, August 16	12:00PM - 1:30PM	Engaging Culturally Congruent HIV Prevention Intervention in Black Gay Men's Communities: The CRIBB Program	Poster	C	Grand Hall	133T	<b>Rudolph Carn</b>
67	Tuesday, August 16	12:00PM - 1:30PM	Color It Real Talk about Sex and Young Adults: An Effective HIV Prevention	Poster	D	Grand Hall	144T	L'dia Men-Na'a
68	Tuesday, August 16	12:00PM - 1:30PM	Use of Eco-mapping in Intervention for Black Bisexually Active Men	Poster	D	Grand Hall	153T	Lee Carson
69	Tuesday, August 16	12:00PM - 1:30PM	Taking Control: Georgia's HIV/STD Awareness and Prevention Initiative for MSM	Poster	D	Grand Hall	178T	Greg Bautista
70	Tuesday, August 16	12:00PM - 1:30PM	The Bayard Rustin Project: On HIV Testing, African American MSM and Community Mobilization	Poster	F	Grand Hall	199T	<b>Stephen Bailous</b>
71	Tuesday, August 16	12:00PM - 1:30PM	Sociocultural Context of Stigma, Marginalization, and Structural Inequalities for Black MSM: Conceptualizing Culturally-Congruent HIV Prevention	Poster	F	Grand Hall	203T	<b>Leo Wilton</b>
72	Tuesday, August 16	12:00PM - 1:30PM	Exploring the Social Geographies of African American Men who have Sex with Men	Poster	F	Grand Hall	205T	Karin Tobin
